Question: I pay using my banking application / website

Answer: Before choosing the payment from your banking application or website, check that your bank offers this service.

Our banking partners on website/mobile application: Attijari Wafa Bank, Banque populaire, Société générale, Barid Bank, Crédit agricole, CIH Bank.

When you reach the payment stage, choose "Payment on app / bank site" from the payment methods offered. A payment code will be displayed in your dashboard, My Payments, during payment with the total amount to be paid.

You just need to enter this code on your banking interface in the space reserved as soon as it is displayed and within a maximum of 48 hours. Once the payment has been made, you will find your payment receipt in your dashboard, My Payments, Payment Receipts.

Beyond 48 hours, your payment code will have expired.

To complete your purchase, you will have to proceed to payment again. More information in video by clicking here [LINK: <https://www.youtube.com/watch?v=rSO81tJfSws>]
