Question: What is the difference between inwi and win?

Answer: win is a digital universe where you do everything from home on the App. You benefit from a customizable and flexible mobile offer on the inwi network.

You subscribe online and choose your offer according to your needs.

Our partner Amana delivers your win SIM to your home so that you can manage everything online, in a few clicks. You can also use an INWI sim at your disposal to subscribe to a win plan.

You can modify your offer at any time for the following month, and in the event of a problem, our chatbot and our advisors are there to assist you via chat or on our social networks. More information in video by clicking here [LINK: <https://www.youtube.com/watch?v=NViCbdbGyPA>]

Question: I create my win account with Facebook

Answer: If you want to create a win account using your Facebook account, just click on the button I create my account with Facebook on the Account creation page. Your name, first name and email address (possibly phone number, if it is your Facebook ID) as well as your photo are recovered.

If you have entered your email address on Facebook, it will be automatically pre-filled, you will only have to confirm it.

If you have not entered an email address on Facebook, you will need to enter it.

You will then receive a confirmation email to validate the creation of your account and will have 48 hours to confirm your email address.

Once your account creation validated, you can start your subscription or continue it if you already have a cart in progress.
