Question: How to instantly boost my win mobile plan for this month ?

Answer: Is your mobile plan almost entirely consumed? Do you want to boost it at any time of the month to continue enjoying your plan without worry? Say no more! win by inwi offers you the possibility to instantly add internet and / or hours according to your needs via your "Account".

<https://win.ma/en/faq/i-renew-my-win-plan-661>

Question: I renew my win plan

Answer: You benefit from a monthly mobile plan which is automatically renewed when you pay on time. Your invoice is available on your dashboard, My Payments, Invoices to pay.

Your invoice is available on your dashboard, My Payments, Invoices to pay.

We notify you as soon as your invoice is issued, payable until the expiration of your current mobile plan. After this time, you will no longer be able to use your plan - neither to call nor to surf.

You can reactivate it at any time, keeping your previous plan or reconfiguring a new plan.

<https://win.ma/en/faq/how-data-balance-my-mobile-plan-used-when-i-buy-6-unlimited-social-networks-pass-741>

Question: How is the data balance of my mobile plan used up when I buy a *6 unlimited social networks pass?

Answer: For all your uses of social networks (Facebook, Instagram, WhatsApp, Twitter & Snapchat) during the validity of your *6 pass purchase, the data balance of your core mobile plan will not be impacted. Only the other uses outside of the social networks included in the *6 pass will be deducted from your mobile plan's internet balance.

<https://win.ma/en/faq/how-my-internet-balance-consumed-when-i-choose-win-inwi-mobile-plan-unlimited-social-medias-747>

Question: How is my internet balance consumed when I choose a win by inwi mobile plan with unlimited social medias?

Answer: win by inwi unlimited social media mobile plans allow you to stay continuously in touch with your friends and your community. Before your internet balance is exhausted, all uses, even those including social medias, are deducted from the internet balance of your mobile plan. When your internet balance is exhausted, you can continue to have access to the following social medias: Facebook, Instagram, WhatsApp, Twitter and Snapchat. If you want to go back to a more complete internet use that does not only including the social medias mentioned above, you can boost your mobile plan at any time by going to your customer dashboard.
