Question: I track the consumption of my Passes

Answer: Pass consumption monitoring is done directly on your Account, My consumption, my Pass

<https://win.ma/en/faq/i-consult-consumption-my-mobile-plan-659>

Question: I consult the consumption of my mobile plan

Answer: You can follow in real time the status of your mobile plan and Passes in your dashboard, My Consumption. You will find there the status of your different balances: 4G Internet and National calls. You will also find the consumption status of your Pass.

You will find there the status of your different balances:

4G Internet and National calls. You will also find the consumption status of your Pass: Call Pass, Internet Pass, International Pass, Roaming Pass ...
